If you are not an Alaska resident, you should compare this Plan with any 529 college savings plan offered by your home state or your beneficiary's home state and consider, before investing, any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in the home state's plan. You can call 1-866-277-1005 or visit the forms section of our site to request a Plan Disclosure Document, which includes investment objectives, risks, fees, charges and expenses, and other information that you should read and consider carefully before investing.
